*Daily Maintenance For Wood Surfaces
Pure Mineral Oil with Vitamin E*

Item Details:

12 oz. Butcher Block Food Grade Mineral Oil

Williamsburg Butcher Block Mineral Oil 12oz.

Williamsburg Butcher Block Mineral Oil protects your butcher block cutting surfaces to keep them in like-new condition. Specially formulated with vitamin E to safely treat butcher block countertops, cutting boards, wooden serving trays, bowls and utensils to prevent drying and cracking.

Williamsburg Mineral Oil can extend the life of your beautiful cutting boards, counter tops or wooden kitchen products for years. Regular application is important to guard against germs, mold growth, and splitting on wood cooking surfaces.

The pure food-grade mineral oil helps to protect wood from moisture and stains. Reduces the impact of knives and minimizes the appearance of marks.

Features and Benefits:

- Rejuvenates and extends the life of wooden surfaces
- Prevents drying, shrinkage, checking and cracking
- Formulated with pure food-grade vitamin E enriched mineral oil
- The oil absorbs into the wood create a natural barrier to moisture and bacteria
- Use after every wash to help keep butcher blocks supple and long lasting
- Made in the USA!

Directions:

Make sure the wood is clean and dry. Apply oil in an "S" pattern across the wood surface. Using a soft clean cloth, wipe the oil evenly over the surface. Wait 5-10 minutes and then wipe off any oil that did not penetrate into the surface. For new and worn surfaces, follow up with Williamsburg's Butcher Block Conditioning Oil.

Contains:

Vitamin E enriched pure mineral oil.

Also available:

Williamsburg Butcher Block Conditioner for weekly use on your butcher block and wooden products.
